

Past Conference Report on Food Technology

Another Food Technology conference has been successfully completed the 3rd Edition. We must thank the attendees, Fleming's Conference Hotel Wien, Conference Centre Staff, the Organizing Committee, Ad-Sponsors, Media partners and everyone else that helped to make this **3rd EuroSciCon Conference on Food Technology** with the theme, *Advancing the bio techniques and scientific research into Food Technology* a huge successful conference.

Our Attendees obtained the kind of advance technical information in the arena of Food Technology that they were seeking, and that their role in the field has been enhanced via their participation. They were able to take part in all the sessions and take advantage of the tremendous advancements in Food Technology that scientists are working with.

The Majorly Focused Highlights for our Food Technology 2019 Conference were Food Research and Practice, Healthcare Technologies, Food Education, Food Innovations, Kinetics of Food Process, Enzymes in Food, Foodborne Diseases and Treatment, Nutraceuticals etc.

Some of the Eminent Food and Nutrition Professionals were the Organizing Committee Members for Food Technology 2019

Carolina Veronezi, State of Minas Gerais Brazil

Emma Chiavaro, University of Parma Italy

Yiannis Kourkoutas, Democritus University of Thrace Greece

George Siragakis, Co – Owner Food Allergens Lab, Greece

Sandra Poirier, Middle Tennessee State University, USA

Francesco Attanasio, Founder Next Generation Food Project, United Kingdom

Notable Speakers of Food Technology 2019

George M. Siragakis, Food Allergens Lab Athens, Greece

Sterling Crew, Shield Safety Group, United Kingdom

Mircea Oroian, Stefan cel Mare University of Suceava, Romania

Yiannis Kourkoutas, Democritus University of Thrace, Greece

Cuneyt Dincer, Akdeniz University, Turkey

Israe Nesrine Ben Hadj Youssef, University of Technology of Compiègne, France

Dimitris Sarris, University of the Aegean, Greece

Jung-Feng Hsieh, Fu Jen Catholic University, Taiwan

Juliana Villasante, Universitat Politecnica de Catalunya, Spain

Tomasz Tarko, University of Agriculture in Krakow, Poland

Aleksandra Duda-Chodak, University of Agriculture in Krakow, Poland

Rahal Lotfi, Etablissement Public Hospitalier (EPH Bechar), Algeria

Iryna Gavrylova, CMYK Ingredients, Bulgaria

Maria Del Mar Tawio, Universidad de Las Palmas de Gran Canari, Spain

Hence, Food Technology 2019 gave justice to the theme *“Advancing the bio techniques and scientific research into Food Technology”*

All thanks to our Media partners also for associating with us.

SciDoc Publishers, Food1.com, Agro Pages, CrowdReviews.com, MEDtube.net, Tabeey, Biomass events, Advanced Biofuels USA and NutritIO.

SAVE THE DATE, Food Technology 2020 is coming!

Followed by the Successful Completion of the [Food Technology Conference](#), the 3rd edition, we are hosting its next edition **“4th International Conference on Food Technology in Prague, Czech Republic on March 11-12, 2020.**

The theme focused for the Revolutionary Innovations in Food and Nutrition World

Having you all with us for our [Food Technology](#) 2020 is a matter of great joy and excitement. We look forward to you all sharing your incredible knowledge, research ideas and to make a sprinkle with new enhancements at this 2-days event.

This time we have introduced some new highlights for our [Food Technology Congress](#)

Food Processing, Food Processing Techniques, Food Industry Background, Dairy Technology, Dietetics, Kinetics Of Food Process, Beverage Packaging, Food Preservation, Food Packaging And Labelling, Food And Quality Control, Food Microbiology, Food Analysis, Food Machinery, Nutraceuticals & Nutrition Supplements, Chemistry Of Food And Bio-Processed Materials, Food Flavours, Food-Borne Diseases, Food And Nutritional Toxicology, Agricultural Immunology, Food Safety And

Hygiene, Management Of Food Waste, Food Choice And Consumer Behaviour.

Food Technology 2020 aims to bring all the [Food professionals](#) under all Food fields for our Food Technology Meeting to interact and share their knowledge and their newest research to the entire Food Community

Also this time, Our Food Conference will be focus destination for the International Food Technology Research Societies, Associations, and Organizations. This event will carry collectively nutrients practitioners, directors, Professors, students from academia and researchers within the subject of food and healthcare, government officials and global leaders to push forward the Food technology and Research.

Food Technology Event is expecting more than 200+ Participants to enlighten the program. This time the Prague Food Technology Conference will organize several Oral and Poster Presentations/Networking Sessions/Workshops/Symposiums/Exhibition as we have introduced several new tracks to bring in more participants.

We are looking forward for the Food Technology 2020 Conference to be successful just as the Food Technology 2019 Conference!

We welcome all the [Food Technology](#) Professionals, Delegates, Researchers, and Students to make your beautiful presence in Paris by February 21-22, 2020.

With Regards,

Maryam Nicolas

Program Manager
