

Young Researchers Forum - Young Scientist Awards Food Microbiology congress 2020

Yamini tiwari

Assistant professor Dept of agriculture.VGU india, E-mail: yamini.tiwari@vgu.ac.in

Conference Series LLC LTD is organizing "Global Summit on Food Microbiology & Nutrition" which is going to be held in the month of December 01-02, 2020 at, Kyoto, Japan The Theme of the conference is "Advancement in Food Microbiology and Nutrition". The conference offers Prestigious Award for Young Research's at Nano Science 2020 Gathering the New-born Advances in Microbiology.

Food Microbiology Congress 2020 invites research scholars & young scientists, to submit the nominations for Young Scientist Awards: Food Microbiology Congress 2020 Young Scientist Awards will be announced at the upcoming "4th World Congress on Nano Science and Nanotechnology" at Kyoto, Japan on December 01-02, 2020.

This Food Microbiology Congress 2020 is an initiative of Conference Series to recognize and provide incentives to the Young Researchers who has shown great potential at their respective field of research. We at Conference Series always encourage the young budding minds to start their career in the field of research and innovations. The core of our Young Research Forum – Young Scientist Awards is to motivate the scholars to present their research ideas in front of the global experts and enhance their knowledge at our international platform. We at Food Microbiology Congress 2020 provide the best networking experience to the participant for their overall professional growth and to promote the collaborative research.

Food Microbiology Congress 2020 Conference will be an investigation of new research Innovation in the field of **Microbiology** and spread the most recent advancements in Food microbiology & Nutritional Value & Quality of Foods, Food Spoilage, Poisoning & Toxicology, Predictive Food Microbiology Food Processing and Engineering Brewing Microbiology Food Biotechnology Food Market and Business and more. Discussion on new technology advancement in the field of **Microbiology**.

Encounter the target market with members from across the globe, committed to learn about novel technologies and innovations in **Microbiology**. This is the best opportunity to outreach the largest gathering of participants from around the world. Conduct presentations, distribute and update knowledge about the advancements in Food microbiology, Nutritional Value & Quality of Foods, Food Spoilage, Poisoning & Toxicology, Predictive Food Microbiology Food Processing and Engineering Brewing Microbiology Food Biotechnology Food Market and in different

fields of **Microbiology** by receiving name recognition at this 2-days event. World-eminant speakers, most recent researches, latest treatment techniques and the advanced updates in **Microbiology** are the principal features of this conference.

Past Conference Report

Global Summit on Food Microbiology & Nutrition, is to be held on December 02-03, 2019 in London, UK. This zenith will unite the senior level experts with a perfect blend for multidisciplinary collaboration between scientists, innovators, academicians from all over the globe. Conference covers the latest breakthroughs with keynotes and featured presentations in the field of food and nutritional research mainly focusing on Food Microbiology, Nutrition, Food Science and Public Health.

Eligibility Criteria for Young Scientist Awards : Food Microbiology Congress 2020:

The Food Microbiology Congress 2020: Young Scientist Awards: is for all young Researchers, Research Scholars (Preferably PhD, Post Doc, and Post Graduates & Graduates) who has involved themselves into the R&D sector. The candidates should have minimum 3+ years of research experience and published minimum 3 research articles in international journals. Part time researchers can be considered subject to recommended by the research guide or any director level designated person from the organization.

Applications are invited on first come first serve basis. Only 25 nominations will be accepted globally.

Judging Criteria.

Nominated candidates need to present their research or talk for 25-30 minutes in front of the panel members. Subject should be under the scope of the **Food Microbiology Congress 2020** conference. Selection will be on the basis of individual accomplishments, quality & standards of research, noble thought, research methodology, **innovative ideas**, style of presentation, significance of the contribution to the field, originality, clarity, and future extended scope of the research and probability of bringing the research in terms of products/services into public domain.

Nomination:

We invite online applications from desired candidates, self-

nomination or nominated by organizations (both private & public sectors)/research guides. The student must be the first author & the student's advisor should attach a statement that their contribution is primarily advisory.

Candidates applying for the **Food Microbiology Congress 2020 : Young Researcher Award** should send their resume, along with a letter of recommendation (from a research adviser/faculty/organization heads) to foodmicrobiology@asia-meetings.com. Along with the online application at the Food Microbiology Congress 2020 Award page.

Presentation:

This award will be presented at Hanoi, Vietnam during Food Microbiology Congress 2020 conference.

About Hosting Organization: Conference Series:

Conference Series LLC LTD is the world's leading specialist in organizing Academic, Scientific and Business conferences,

meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology and Business to promote scientific research. Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by CROSSREF.
